The novel opens with the death of Jake, a young man who is beloved by his friends. His death sends shockwaves through the community, and his friends are left reeling. They must now come to terms with their grief and find a way to move on without him.

As the friends try to heal, they begin to uncover secrets that Jake had been keeping from them. They learn that he was struggling with a gambling addiction and that he had been involved in a dangerous scheme. His death

raises more questions than answers, and his friends must now race against time to find out the truth.

Bad For You Sea Breeze is a suspenseful and emotionally charged novel that explores the themes of grief, loss, and betrayal. The characters are well-developed and relatable, and the story is both heartbreaking and suspenseful. This is a novel that you won't soon forget.

About the Author

Bad For You Sea Breeze is the debut novel of author John Smith. Smith is a lifelong resident of the beach town where the novel is set. He has a deep understanding of the community and the people who live there. Smith's writing is both evocative and suspenseful, and he has a talent for creating characters that are both relatable and complex.
