Testimonials from Graduates Who Thrived

Vinith Chandran

Software Engineer, Tech

Mahindra

(Electrical & Electronics

Engineering- Batch of 2016)

My experience at SNS Engineering has meant career advancement to a highly responsible and challenging position in a leading-edge Software Company in the Country, along with that goes an increased sense of self-esteem and a feeling of accomplishment and personal satisfaction.

I found welcoming classmates, engaged faculty, and a built-in community in SNS Institutions. I really enjoyed the teacher-student feedback, the contents of the courses and the teaching framework offered.

At SNS everything possible is done to make the students life high-quality learning focussed. The quality of the professors gives it a high academic level with their strong industry experience and abilities.

"The Field Guide for Thriving in Graduate Studies was an invaluable resource during my doctoral studies. The practical tips on research, time management, and thesis writing helped me stay organized and focused throughout my journey."

- Dr. Emily Carter, PhD in Education
