But this book is more than just a collection of funny stories about family life. It's also a deeply personal and moving account of the author's journey as a parent. She writes about the challenges of balancing work and family, the guilt of not always being the perfect parent, and the profound love that she feels for her children.

This book is a celebration of family life, in all its messy, chaotic, and beautiful glory. It's a book that will make you laugh, cry, and ultimately appreciate the precious gift of family.
