School buses are a ubiquitous part of our society. We see them every day, but we rarely take the time to appreciate their beauty. Just School Bus Photos is a coffee table book that celebrates the beauty of school buses from all over the world.

With over 300 pages of full-color photos, Just School Bus Photos is a visual feast for anyone who loves school buses or photography. The photos in this book are stunning, and they capture the unique character of school buses from all over the world.

Whether you're a school bus enthusiast or just someone who appreciates good photography, Just School Bus Photos is a book that you'll love. This book is a must-have for any coffee table, and it's sure to be a conversation starter.

What's Inside Just School Bus Photos?

Just School Bus Photos is divided into six chapters, each of which focuses on a different type of school bus.

1. Chapter 1: Classic School Buses

This chapter features photos of classic school buses from the 1950s, 1960s, and 1970s. These buses are iconic symbols of American education, and they're sure to bring back fond memories for anyone who rode a school bus during those years.

2. Chapter 2: Modern School Buses

This chapter features photos of modern school buses from the 1980s to the present day. These buses are more technologically advanced and safer than their predecessors, but they still retain the classic look of a school bus.

3. Chapter 3: School Buses from Around the World

This chapter features photos of school buses from all over the world. From the iconic yellow buses of the United States to the colorful buses of India, there's a school bus for everyone in this chapter.

4. Chapter 4: School Buses in Action

This chapter features photos of school buses in action. From picking up students to dropping them off at school, these photos capture the everyday life of a school bus.

5. **Chapter 5: School Buses in Art**

This chapter features photos of school buses in art. From paintings to sculptures, school buses have been a popular subject for artists for centuries.

6. **Chapter 6: School Buses as Canvas**

This chapter features photos of school buses that have been decorated with artwork. From graffiti to murals, these buses are rolling works of art.
