About the Book

Looking Over The Long Run is a comprehensive guide to building a successful business. It covers everything from developing a business plan to marketing your products or services. This book is essential reading for anyone who wants to start or grow a business.

The book is divided into three parts:

1. **Part 1: The Foundations of Success**
2. **Part 2: Growing Your Business**
3. **Part 3: Sustaining Success**

Part 1 covers the basics of business, including developing a business plan, choosing a business structure, and financing your business. Part 2 discusses how to grow your business, including marketing your products or services, expanding into new markets, and managing your finances. Part 3 covers how to sustain success, including building a strong team, creating a positive work culture, and adapting to change.

Looking Over The Long Run is packed with practical advice and real-world examples. It is a must-read for anyone who wants to start or grow a successful business.
