In *On Two Feet and Wings*, author Sarah Wilson shares her inspiring story of overcoming challenges and achieving her dreams. After graduating from college, Sarah set out on a solo backpacking trip around the world. She had always dreamed of traveling, but she never imagined the journey she would embark on.

On her travels, Sarah faced many challenges. She was robbed, lost her passport, and even had to spend a night in jail. But through it all, she never gave up. She learned to rely on her own strength and resilience, and she discovered a new sense of purpose.

Sarah's journey is not just a story of adventure and travel. It is also a story of self-discovery and growth. Through her travels, she learned about different cultures, met new people, and gained a new perspective on life. She also learned the importance of following her dreams, no matter how difficult they may seem.

On Two Feet and Wings is a moving and inspiring memoir that will stay with you long after you finish reading it. Sarah's story is a reminder that anything is possible if you have the courage to follow your dreams.
