That's where this book comes in. *Retirement Wisdom That You Won't Get From Your Financial Advisor* is a comprehensive guide to everything you need to know about planning for retirement. It covers everything from saving and investing to healthcare and estate planning.

This book is not just a collection of dry facts and figures. It's also full of practical advice and real-world examples. You'll learn from the experiences

of others who have already retired, and you'll get tips on how to avoid common mistakes.

Whether you're just starting to think about retirement or you're already in the thick of it, this book is a must-read. It will help you make the most of your retirement years, both financially and emotionally.

Here's a sneak peek at some of the things you'll learn in this book:

- How to create a retirement plan that fits your individual needs
- How to save and invest for retirement
- How to get the most out of your Social Security benefits
- How to plan for healthcare and long-term care costs
- How to estate plan for your retirement
