Synopsis

Tsukune Aono, an ordinary human, finds himself enrolled in Yokai Academy, a prestigious boarding school for monsters. Surrounded by vampires, werewolves, and other supernatural beings, Tsukune must navigate a world he never knew existed.

In Volume Four, Tsukune and his friends encounter a new threat: carnivorous plants that have taken over the academy. These deadly plants are capable of draining the life force of any living creature, and they seem to have a particular interest in Tsukune.

As Tsukune and his friends fight for their lives, they uncover a dark secret about the plants. They are being controlled by a powerful vampire, who has plans to use them to destroy Yokai Academy.

Can Tsukune and his friends stop the vampire and save the academy? Or will they become the next victims of the carnivorous plants?
