In a distant future, where humanity has spread to the stars, the United Stars Federation stands as a beacon of hope and prosperity. But this peace is threatened by a new enemy: the Forever Empire.

The Forever Empire is an ancient and powerful civilization that has been hidden from the rest of the galaxy for centuries. Now, they have emerged from the shadows, intent on conquering all that they survey.

Captain John "Crash" McCoy and the crew of the USS Lexington are humanity's only hope against the Forever Empire. With their ship's advanced technology and their indomitable spirit, they must face the greatest challenge of their lives.

Star Force: The Forever Empire is the epic to the Star Force Universe series. This thrilling novel is full of action, adventure, and suspense. It is a must-read for fans of science fiction and space opera.

### **Praise for Star Force: The Forever Empire**

"Star Force: The Forever Empire is a thrilling to the Star Force Universe series.
