Through stunning photography and engaging interviews, Swing Nation transports readers to the heart of the swing scene, where they will meet:

- World-renowned swing dancers who share their passion for the dance and their insights into the latest trends.

- Innovative musicians who are pushing the boundaries of swing music, creating new sounds that keep dancers moving.
- Dedicated organizers who are working to promote swing dancing and create inclusive communities for dancers of all skill levels.

Whether you are a seasoned swing dancer or simply curious about this vibrant dance form, *Swing Nation* is an essential read. This book will inspire you to move your feet, connect with others, and experience the joy of swing dancing.

### **Inside Swing Nation: New World Choreographies**

*Swing Nation* is divided into three parts, each of which explores a different aspect of the global swing scene:

1. **The Dance:** This section provides an overview of the history of swing dancing, from its origins in the early 1900s to its current resurgence in popularity. It also explores the different styles of swing dance, from Lindy Hop to Balboa, and provides instructions on how to get started with the basics.
2. **The Music:** This section delves into the world of swing music, exploring the different genres and artists that have influenced the development of swing. It also provides a guide to some of the best swing bands and DJs in the world today.
3. **The Community:** This section celebrates the vibrant swing dance community, from the local dance clubs and workshops to the international festivals and competitions. It also explores the ways that swing dancing is used to promote social inclusion and cross-cultural exchange.

Swing Nation is beautifully illustrated with over 200 photographs that capture the energy and excitement of the swing dance scene. These photographs provide a unique glimpse into the lives of the dancers, musicians, and organizers who are driving the swing revival.

### **Why Read Swing Nation: New World Choreographies?**
