Step into the shadowy streets of New York City, where monsters lurk beneath the neon lights and the darkness hides secrets that will forever change the lives of those who dare to uncover them. In Aaron Oster's gripping urban fantasy novel, "We Hunt Monsters," readers embark on a thrilling journey alongside a monster hunter and her companions as they face unimaginable horrors.

Meet the Monster Hunter: Anya Kirilenko

At the heart of this electrifying tale lies Anya Kirilenko, a young woman with a troubled past and a unique ability to see the supernatural creatures that hide in plain sight. Haunted by the loss of her parents to a monstrous attack, Anya has dedicated her life to protecting others from the horrors that lurk in the shadows. Armed with a crossbow and a keen intellect, she stands as a beacon of hope in a world teetering on the brink of chaos.

A Trio of Unlikely Companions

As Anya embarks on her perilous quest, she forms an unlikely alliance with two companions who share her unwavering determination to fight the darkness. Ethan James, a troubled but brilliant scholar, brings his knowledge of ancient lore and forgotten rituals to the team. And Jake Morales, a former marine with a haunted past, provides the muscle and the

unwavering loyalty that will prove invaluable in the face of unimaginable terrors.

Together, Anya, Ethan, and Jake form a formidable trio, each with their unique strengths and weaknesses. Their bond is forged in the fires of battle and tempered by the shared horrors they face. As they delve deeper into the supernatural underworld, their trust in each other and their belief in their mission become their most potent weapons.

Urban Horror Meets Action-Packed Adventure

"We Hunt Monsters" is a captivating blend of urban horror and action-packed adventure. Oster's vivid descriptions paint a living, breathing city where the mundane and the supernatural intertwine. The monsters that populate this world are not the stuff of legends but creatures of nightmares, born from the darkest recesses of the human psyche.

From the shadowy alleyways to the towering skyscrapers, Anya and her companions face relentless threats and deadly traps. Each encounter with the supernatural tests their limits and forces them to confront their own inner demons. But amidst the chaos and fear, a flicker of hope remains, a testament to the unyielding spirit of those who dare to stand against the darkness.

New York City becomes a battleground as Anya and her companions face a relentless onslaught of supernatural horrors.

A Gripping Page-Turner with a Twist

Oster's writing is both evocative and suspenseful, keeping readers on the edge of their seats from beginning to end. The novel's fast-paced narrative

and unpredictable twists will leave readers breathless. Every encounter with a monster is a test of survival, and each victory brings Anya and her companions closer to uncovering the sinister truth behind the supernatural threat.

As the story unfolds, Oster weaves in elements of mystery and intrigue that will keep readers guessing until the very last page. The line between hunter and hunted blurs as Anya and her companions discover that the monsters they face may not be the true enemy. In a world where shadows hold hidden dangers, trust becomes a precious commodity, and every choice has far-reaching consequences.
